Telephone Memorandum

Project No.: 04011 Client: Albion Date: 7-2-92

Subject: Support Facilities Subcontract

Your Name: Liz Vahl Outside Party: Dave Gray

Made Call ()

Rec'd Call ()

Comments

Summary of Conversation:

Dave called to say that the light fixture we specified in Addendum 1 did not exist.

Action → I had the specifics copied out of the manufacturers catalog and faxed it to him.

I then called him back, could not reach him, but left a message that I had hopefully sent him what he needed.

He did not call back.
